## DETAILED ACTION

### Reason for allowance

**Claims 1- 17 are allowed.** The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Method of planarizing active layers of devices on a semiconductor structure (in addition to other steps as claimed in independent claim 1) comprising: the step of forming a dummy layer of dielectric material over the first dielectric layer to a thickness equal to the known height of the active semiconductor devices; forming a dummy structure pattern mask over the dummy layer of dielectric material; etching the dummy layer of dielectric selective to the first dielectric layer so as to leave portions of the dummy layer as dummy structures on the top surface of the top layer of dielectric having a height equivalent to the known height.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
